## Journal Club/Discussion Boards

### How do I know when someone has commented on a discussion board thread?

You can subscribe to discussion boards in your Canvas module, which means you will be sent notification to your UoL email address when other people post a comment. These email notifications are normally sent once daily but this can be changed by editing your account settings.

To subscribe to a discussion board, click 'discussions' from the left-hand menu. Enter the discussion you are interested in then click the following button:

If the discussion board is 'post-first' – which means you have to make a post before you can view the other comments – then you cannot subscribe until you have posted. Once you have done so you may find that you are automatically subscribed, as seen when the button turns green:

Please note – you may still not see your notifications depending on how you have your permissions set up in Canvas, please see the following video guide on how to set up your account to receive notifications:

### How do I manage my Canvas announcements?

To manage the way Canvas notifies you about events in your Canvas modules, please follow this short video:

<https://liverpool.instructuremedia.com/embed/51454be4-99d8-4c61-bf3c-57b7928ad96c>

### Do I have to attend all the journal club sessions?

No. You are only compelled to attend the journal club at which you present. But, whilst attendance at other journal clubs is not compulsory, you are welcome to attend and join in the discussion on as many other sessions as you wish. We consider this part of the module to be a valuable learning experience and so attendance at other sessions is recommended.

### Can I attend a different group's journal club?

Yes. Although it's preferable to attend your own group's journal clubs where possible, it's no problem to attend another group's session as an attendee if this fits in better with your schedule but please email Liz O'Sullivan as above to discuss rescheduling arrangements at least two weeks in advance of their due dates.

## Accessing the Library and Webmail

## General Queries

### **Will I get a certificate once I have completed my module?**

Yes. You will receive a certificate via email from the University of Liverpool usually within 2-3 month of successfully completing each individual module. You will need to apply to the RCVS if you wish to claim your CertAVP certificate once you have completed the relevant modules.

### **Can I book future modules provisionally?**

No, unfortunately, due to the extremely high demand for places, we can no longer accept provisional bookings.

### **Do I need to let you know if any of my details change (e.g. address etc)?**

Yes. To keep your records up-to-date, it is necessary to let us know if you change address or wish to change names.

### **How do I get a copy of my academic transcript?**

Official academic transcripts can be prepared for you at any time but they must be ordered through central University. There is a charge of twenty pounds sterling (£20.00) for the first copy and five pounds (£5.00) for every additional copy requested at the same time.

See the following [link](#) for further information.

It is also possible to print an unofficial copy of your transcript at any point during your registration. This facility is available at any time from [Liverpool Life](#). Although please note that it is unlikely that an employer, educational institution or immigration agency will accept a transcript in this format as supporting documentation.

**NOTE:** From July 2016 The University of Liverpool will introduce an electronic version of the Higher Education Achievement Report (HEAR) for all postgraduate taught students. The HEAR is designed to encourage a more sophisticated approach to recording student achievement and will be available for all graduates of our postgraduate programmes. HEAR is a formal, electronic, University-verified document that will contain detailed information about your learning and achievements and, along with your degree certificate, will support your applications for employment and further study.

Further information about the HEAR can be found at: <https://www.liverpool.ac.uk/student-administration-and-support-division/hear/> and on the national [HEAR website](#).
