

Generative Artificial Intelligence (GAI) Declaration

Module	
Assignment	
Date	
Student name	

Please remember that you are responsible for your use of GAI and are accountable for the content it creates. You are responsible for critically evaluating the credibility and reliability of the content it creates in terms of accuracy, bias and prejudices.

Please refer to <https://www.liverpool.ac.uk/media/livacuk/centre-for-innovation-in-education/digital-education/generative-ai-teach-learn-assess/guidance-on-the-use-of-generative-ai.pdf>

Please delete one of the following declarations as applicable for this assignment:

- **I did not use GAI in the preparation of this work**
- **I did use GAI in the preparation of this work.**

If you did use GAI, please include a short summary to include:

1. Explain what you used the GAI tool(s) for (e.g. initial research into a topic, providing feedback on your writing style, taking notes, getting ideas on how to present work, organising work, checking spelling and grammar etc.)
2. Which specific GAI tool(s) you used including version e.g. Microsoft CoPilot, ChatGPT, Claude, Grammarly
3. The prompts you used in the GAI tool(s)

We recommend that if you have used GAI in your assignment that you keep a record of your GAI conversation.
