BOARD OF STUDIES IN MATHEMATICS AND COMPUTING
PROJECT AND ESSAY MODULES
Student Opinion Form

Name of Supervisor:........................
Module Code:...............

Date:....................

The Board values the opinions of students on the Modules provided and seeks your co-operation in responding to the questionnaire.

Using the given scales, assess the following aspects of the supervision, guidance and teaching of this module, *by circling in each case the number you deem most appropriate.*

If a question is not applicable, do not circle any number in that row.

Your project supervisor will not see this form until after the assessment of your project is complete.

5. Strongly agree   **4. Agree**   **3. Neutral**   **2. Disagree**   **1. Strongly disagree**

1.(a) I knew sufficient mathematics to make good progress with the project   5 4 3 2 1
  (b) The information on possible project topics was sufficient   5 4 3 2 1
  (c) The initial information made clear what was expected in a project   5 4 3 2 1

2.(a) The objectives of my particular course were clear from the outset   5 4 3 2 1
  (b) My project was open-ended   5 4 3 2 1

3.(a) The amount of supervision time allocated was sufficient   5 4 3 2 1
  (b) The supervision sessions were helpful   5 4 3 2 1
  (c) I was given help in finding appropriate books and materials   5 4 3 2 1
  (d) I had enough freedom to follow my own ideas   5 4 3 2 1

4.(a) I was given sufficient advice on how to prepare a report   5 4 3 2 1
  (b) I was given sufficient advice on how to prepare a presentation   5 4 3 2 1
  (c) I felt the presentation session was valuable experience   5 4 3 2 1

5.(a) I knew sufficient mathematics to make good progress with the project   5 4 3 2 1
  (b) The project reinforced my understanding of some mathematics   5 4 3 2 1

6.(a) I am glad I decided to take this module   5 4 3 2 1
  (b) The work involved was no more than a typical lecture course   5 4 3 2 1
  (c) I found the project interesting   5 4 3 2 1
  (d) I believe a project is valuable preparation for employment   5 4 3 2 1

7.   Please give below or on the reverse any further comments you wish to make.
