

## **PLAGIARISM STATEMENT**

This project was written by me and in my own words, except for quotations from published and unpublished sources which are clearly indicated and acknowledged as such. I am aware that the incorporation of material from other works, or a paraphrase of such material, without acknowledgement, will be treated as plagiarism according to the University Policy on Academic Integrity. The source of any picture, map, or other illustration is also indicated, as is the source, published or unpublished, of any material not resulting from my own experimentation, observation, or specimen-collecting.
