

Personal Data.

Name Thomas Eckl
Date of birth May 17, 1970

Area of specialization.

Algebraic Geometry

Education.

1990–2000 Universität Bayreuth, *Diplom* (~ Master), 1995, and *Dr. rer. nat.* (~ Ph.D.), 2000, supervised by Prof. Thomas Peternell.
1976–1989 School in Germany, *Abitur*, 1989.

Professional Experience.

09/2018–present *Senior Lecturer*, University of Liverpool
09/2007–08/2018 *Lecturer*, University of Liverpool
03/2004–08/2007 *Wissenschaftlicher Assistent* (~ Assistant Professor), University of Cologne
10/2003–02/2004 Postdoctoral fellow, *DFG Priority Program “Global methods in complex geometry”*, University of Hannover
2000–09/2003 *Wissenschaftlicher Assistent* (~ Assistant Professor), University of Bayreuth
1997–2000 *Wissenschaftlicher Mitarbeiter* (~ Teaching Assistant), University of Bayreuth
1996–1997 Predoctoral fellow, *Graduiertenkolleg “Komplexe Mannigfaltigkeiten”*, University of Bayreuth
1993–1994 Graduate student, Brandeis University, Boston, USA, fellow of the DAAD

Visiting Positions (≥ 1 Month).

05/2007 Visiting Resercher at Bar-Ilan University, Tel Aviv (with a Young Scientist’s grant of the G.I.F.)
03/2006 Visiting Resercher at KIAS, Seoul (jointly funded by DAAD and KRF)
09/04–10/2004 Visiting Researcher, *Institut Fourier*, Grenoble, France
02/03–03/2003 Visiting Researcher, *Institut Fourier*, Grenoble, France
09/2002 Visiting Researcher, *Institut Fourier*, Grenoble, France

Membership in Research groups

01/07-09/2007 Member of the DFG Research Unit 790 "Classification of Algebraic Surfaces and Complex Manifolds"
07/06–08/2008 Member of the DFG Graduate Training Programme "Global Structures in Geometry and Analysis"

Professional Service

- 02/2005 Organization of *Mini-Workshop “Siu’s proof of invariance of plurigenera”*, main speaker: Y.-T. Siu
- 06/2005 Organization of *Mini-Workshop “Multiplier ideals”*, main speaker: L. Ein

Administration

- 2005–2007 Representent of the *Wissenschaftlichen Assistenten* (~ Assistant Professors) in the Faculty of Science, University of Cologne
- 2010–2018 E-Learning Coordinator of the Maths Department
- 2011–present Work Placement Coordinator of the Maths Department
- 2014–2018 Member of the Teaching and E-Learning Steering Group of the Faculty of Science and Engineering
- 2014–present Organisation of Applicants’ Discovery Days in the Maths Department
- Member of the Recruitment Group of the Faculty of Science and Engineering
- 2019–present Organisation of Open Days in the Maths Department
