

# MATH244 - INFORMATION SHEET

## GENERAL INFORMATION

**Lecturer.**

Dr. Lasse Rempe

Office 505

L.Rempe@liverpool.ac.uk

**Lectures.** Monday 12–1, Thursday 10–11, Friday 9–10 (Proudman Lecture Theatre)

**Tutorial Session.** Friday 1–2 (Proudman Lecture Theatre)

**Course Website.**

<http://pcwww.liv.ac.uk/~lrempe/teaching/math244/>

**Office Hours.** Friday 10–11.30

## ASSESSED WORK

The final mark is 10% assessed exercises and 90% final exam. Each exercise sheet will contain 5 questions, worth 1 point each, awarded when a reasonable effort at the exercise has been made.

Exercise sheets will be handed out on Mondays, with solutions collected a week later. (The exception to this rule is the first exercise sheet, for which the hand-in date will be **Thursday, February 2nd.**)

Your solutions **must** be clearly labelled with your name, legibly written and stapled together (**no loose sheets!**). Also, at each point you should clearly state what you are proving/doing; long uncommented calculations are not acceptable. **If your solutions do not adhere to these rules, you may receive a mark of 0 for them!**

There will be 11 exercise sheets in total; your overall exercise mark will be the average of your 10 best marks.

## LECTURE NOTES

Some lecture notes may be made available in electronic form on the webpage. Otherwise, handwritten notes will be made available upon request.
