

**British Orthoptic Journal**  
**Volume 1, 1939**

Loss of Central Fixation I.Yoxall	15-19
Some Observations on Partial Occlusion in Accommodative Squints E.Pemberton	20- 22
A few samples of Traumatic Heterophoria S.Mayou	23-27
Operative Impressions in Orthoptic Training OM Duthie	28-33
Summary of routine treatment given at the Manchester Royal Eye Hospital E.Stringer	34-37
Voluntary Diplopia S.Mayou	38-43
Paralysis of External Rectus; Treatment of Muscle Grafting P.Jameson Evans	44-45
Some Observations on Squint Operations Dr Gordon Napier	46-49
Suitability of cases for Orthoptic Training CH.Bamford	50-53
Occlusion K.Bastow	54-57
Some Recent Methods used in an Attempt to shorten Orthoptic treatment S.Jackson	58-62
History of Orthoptic treatment CL Gimblett	63-65
Occasional Divergent Squint S.Jackson	66
Unusual cases of divergent squint treated at the Manchester Royal Eye Hospital E.Stringer	67
Divergent Strabismus and its treatments K.Bastow	68-69
Divergent Squint	70

J.Strickland Approach to the Phorias Wing Commander Livingstone	71-104
Certain aspects of the Evolution of the eye I.Mann	105

## **BOJ Volume 2, 1944**

Some Observations on accommodative squint M.Parsons	13-15
Some Observations on experimental work on the relation of squint to emotional disturbances carried out at the Oxford Eye Hospital B.Hare	16-20
Our Failures E.Stringer	21-24
Graded Squint Operations J.Foster, EC Pemberton, SS Freedman	25-32
Prognosis of postoperative Diplopia in adult Squints EC Pemberton	33-35
Some notes on treatment of abnormal retinal correspondence B.Hare	36-37
Convergence deficiency OM.Duthie	38-41
Civilian Heterophoria D.Adams Campbell, J Mein	42-46
Adult Heterophoria JH.Doggart	47-49
Some Interesting aspects of heterophoria in relation to flying AV.McLellan	50-55
Some Observations on Orthoptic treatment following head injury R.Chandler	56

### **BOJ Volume 3, 1945**

A Surgeons View of the development and future of Orthoptics OM Duthie	13-19
Orthoptics in Industry J.Strang	20-27
Orthoptics under the education committee BM Baker	28-29
Some American Methods of Orthoptic Treatment LB Billingham	30-33
Myopia and Pseudomyopia JP Spencer Walker	34-38
The Art of Seeing R.Sparrow	39-43
Binocular Vision AB.Nutt	44-47
Experimental work in stereoscopic vision and visual acuity JH Swift, NF Balkwill	48-52
Advantages and disadvantages of the myotomy of the internal rectus muscle A.Wynn Green	53-56
Surgical and Orthoptic treatment of varied types of ocular motility Imbalance J.Bradley	57-71
Treatment of convergence deficiency S.Mayou	72-82
Doubts and Difficulties E.Exner	83-86
Cases treated in the Orthoptic department of the Birmingham Eye Hospital AB Curry	87-89
Squint Cases seen in the outpatient department J Parker Smith	90-94
Observations and Occlusion BM Voisey	95-97
Interesting cases of diplopia	98-99
